

Programme at a Glance

	Monday 27.08.18	Tuesday 28.08.18	Wednesday 29.08.18	Thursday 30.08.18	Friday 31.08.18												
08:00		Registration Open		Registration Open	Registration Open	08:00											
08:30				Plenary D - Leveraging plant diversity for multifunctionality in agroecosystems <i>Meagan Schipanski</i>	Plenary H - Intensification and climate change mitigation: what are the incentives for crop-livestock farmers? <i>Mariana C. Rufino</i>												
09:00	ESA Satellite Meetings	ESA 2018 Congress Opening Introductory presentations	Excursions	Parallel Sessions		Parallel Sessions		09:00									
10:00		Coffee Break			5.1 - Conservation Agriculture <i>Chair: Eric Justes</i> 5 Orals	6.1 - Intercropping <i>Chair: Meagan Shipanski</i> 5 Orals	3.3 - Biotic Stress and Crop Protection <i>Chair: Judith Wirth</i> 5 Orals	7.1 - Productivity and Efficiency <i>Chair: Andreas Keiser</i> 5 Orals	9.2 - Farming Systems <i>Chair: Mariana C. Rufino</i> 5 Orals	10.2 - Nutrient Management and Recycling <i>Chair: Antonio Delgado</i> 5 Orals	11.2 - Climate Change <i>Chair: Felix Herzog</i> 5 Orals	7.3 - Productivity and Efficiency <i>Chair: Evan Rroco</i> 5 Orals					
10:30		Plenary A - Plant Breeding for Improved Resource-Use Efficiency <i>Roberto Tuberosa</i>			Coffee Break			Coffee Break		10:15							
11:00		Parallel Sessions			Plenary E - Towards Agroecological Cropping Systems: the Role of Diversification in Time and Space for Supporting the Crop Production <i>Eric Justes</i>		Plenary I - Farm-Centered Integrated Modelling for the Design of Sustainable Agricultural Systems <i>Jacques Wery</i>		10:45								
12:30		Lunch			Parallel Sessions		Parallel Sessions		11:15								
13:30		Poster Session 1			1.1 - Plant Breeding <i>Chair: Roberto Tuberosa</i> 6 Orals	2.1 - Crop Nutrition and Irrigation <i>Chair: Philip White</i> 6 Orals	3.1 - Biotic Stress and Crop Protection <i>Chair: Maria Finckh</i> 6 Orals	4.1 - Abiotic Stress <i>Chair: Philippe Debaeke</i> 6 Orals	5.2 - Conservation Agriculture <i>Chair: Didier Pellet</i> 5 Orals	6.2 - Intercropping <i>Chair: Branco Cupina</i> 5 Orals	8.1 - Low Input and Organic Farming <i>Chair: Marcel v. d. Heijden</i> 5 Orals	7.2 - Productivity and Efficiency <i>Chair: Samuel Knapp</i> 5 Orals	9.3 - Farming Systems <i>Chair: Nathalie Colbach</i> 5 Orals	10.3 - Nutrient Management and Recycling <i>Chair: Astrid Oberson</i> 5 Orals	11.3 - Climate Change <i>Chair: Christine Watson</i> 5 Orals	12.2 - Biodiversity and Landscape <i>Chair: Jürg Hiltbrunner</i> 5 Orals	
14:30		Plenary B - The Mineral Nutrition of Edible Crops <i>Philip White</i>			Lunch		Final Presentation Congress Closing		12:30								
15:00		Plenary C - Soil Health Management and Biodiversity: The Central Pillars of Agroecological Plant Health Management <i>Maria Finckh</i>			Poster Session 2		ESA Satellite Meetings / Workshops		13:00								
15:30		Coffee Break			Plenary F - Navigating Agricultural Transitions: The Role of Ecosystem Services, Biodiversity, and Human Management for Sustainable Farming Systems <i>Jan Bengtsson</i>				14:30								
16:00		Parallel Sessions			Plenary G - The Increased Production Volatility may require Better Insurance Mitigation Solutions in the Future. <i>Bernard Belk</i>				15:00								
17:00	2.1 - Plant Breeding <i>Chair: Fabio Mascher</i> 6 Orals	2.2 - Crop Nutrition and Irrigation <i>Chair: Else Bünemann</i> 6 Orals	3.2 - Biotic Stress and Crop Protection <i>Chair: François Lefort</i> 6 Orals	4.2 - Abiotic Stress <i>Chair: Elisa Pellegrino</i> 6 Orals	9.1 - Farming Systems <i>Chair: Jacques Wery</i> 6 Orals	10.1 - Nutrient Management and Recycling <i>Chair: Thomas Nesme</i> 7 Orals			11.1 - Climate Change <i>Chair: Pirjo Peltonen-Sainio</i> 6 Orals	12.1 - Biodiversity and Landscape <i>Chair: Jan Bengtsson</i> 7 Orals	16:00						
17:30	Registration Open						17:30										
17:45		Welcome Reception					17:45										
18:30			Official Dinner Parc des Bastions 18.30-22.00
